

OneGoal is seeking sponsors for our OneGoal Career Expo on May 19, 2026 . We will convene over 250 OneGoal Fellows and corporate guests for an afternoon of interactive programming, panel discussions, and professional development skill building. Sponsoring the event allows your company to increase community presence and identify new sources of young and diverse talent.

As a Career Expo sponsor, you make an investment in our students' futures. Join us to create meaningful career exploration opportunities and connections for our students. Together, we can ensure that every student has an equitable opportunity to achieve their greatest college + career aspirations.

Corporate Networking ↘

Engage directly with students by attending this Expo. This is a prime opportunity to share your professional experience and hear how students are approaching their futures. Corporate guests will also benefit from captivating remarks from leading experts and OneGoal supporters.

Skill Building ↘

Help hundreds of students actualize why they matter and know they have adults who champion their success outside of their OneGoal classroom. Provide mentorship in real time to students who will benefit the most.

Panel Conversations ↘

Have your company staff share their experiences and all the potential pathways to success via career panel conversations. Use this opportunity to think more broadly about recruiting early career staff and share opportunities for students that could be pursued after high school and/or college graduation.

In-Kind Donations ↘

During the Expo, we hope to host giveaways to fuel Fellows' enthusiasm. Consider contributing branded materials like gift cards, coupons, or supplies to go in student swag bags or raffle items. Your gift makes a big difference in the success of this event and helps us inspire students to reach their greatest postsecondary aspirations.
